About the Conference

The Malaysian Association of Sports Medicine (MASM) is proud to organise the 2nd ASEAN Sports Medicine Conference 2018 on 24th and 25th March 2018. The 1st ASEAN Sports Medicine Conference was held on 28th and 29th November 2015 with the theme of "Enhancing Performance Through Sports Medicine & Sports Science" with more than 350 delegates from countries in the ASEAN region as well as from United Kingdom, Japan, Korea and elsewhere.

The theme for this 2nd ASEAN Sports Medicine conference is "Building a Healthier Nation Through Sports". The program emphasizes a strong scientific and clinical content. The conference is for MASM members and various professionals interested in the field of sports medicine, exercise science and rehabilitation of the amateur or professional athlete.

The 2nd ASMC 2018 in Kuala Lumpur will have an outstanding program of great interests for the sports physician, surgeons, physiotherapist, sports science and coaching fraternity in areas of, musculoskeletal interventional imaging, biomechanics and human control of movement, nutrition, psychology, electronic technologies in sports, training methods and three workshops on Musculoskeletal Ultrasound, Functional Rehabilitation (PASS) and 1st Responder Course. The conference provides a great opportunity to network professionally and socially with peers and global leaders in sports medicine and exercise science. Looking forward to seeing you here in Kuala Lumpur!

Details of the conference will be updated from time to time through the official MASM website. Please check the status of your registration or the abstract submitted by logging on to <http://malaysiansportsmed.org>.
